

## **SALARIED GP**

### **SIDLEY MEDICAL PRACTICE, BEXHILL-ON-SEA, EAST SUSSEX**

[www.sidleymedicalpractice.nhs.uk](http://www.sidleymedicalpractice.nhs.uk)

A well-established, two site training practice, which received a Good CQC rating inspection 2018 and review 2019.

We are looking to appoint a GP who is looking to work within an environment that supports new and innovative ways of working from 6 – 8 sessions per week. BMA salaried GP pay scales and model contract offered.

We hope that you will support a personal list with view to working in Partnership with us in the future to continue to improve patient services and access to healthcare for all our patients. Clinical interests will be supported and encouraged.

Benefits of the role include:

- Defined workload within your sessions that can be timed to suit family and school needs
- Face-to-face appointments with defined triage, telephone and video consultation times
- No duty days or duty hours as salaried GP
- Home visiting supported by Paramedic and Nursing Practitioners
- Support from our experienced reception, administration and nursing teams
- EMISWeb clinical system with DocMan10, Lexacom3 digital dictation and DXS intranet
- Opportunity for development of your role within the team, undertaking training for services such as minor procedures, sexual health services or chronic disease management. The surgery doctors also support memory assessment clinics, acupuncture and GP trainees.
- Indemnity payments cover for all activity not related to the NHS Clinical Negligence Scheme for General Practitioners (CNSGP) from 1<sup>st</sup> April 2019
- Daily morning coffee meetings, weekly educational and business meetings

You will join a clinical team consisting of 7 GP Partners, 3 salaried GPs, 3 Advanced Nurse Practitioners, 5 Practice Nurses, 4 HCAs, 1 Paramedic Practitioner and 1 Clinical Pharmacist

We are members of both the GP federation Integrated Community Care and Bexhill Primary Care Network.

The Practice already accommodates visiting Social Prescribing, Carers and Memory Assessment clinics. We also have Health In Mind and Hidden Hearing clinics within the premises. Although non dispensing there is an on-site pharmacy at one of the surgery sites.
